## TECHNICAL DATA SHEET Silicone Spray Lubricant

### PRODUCT DESCRIPTION

Oilflow silicone Spray lubricant is a multi-purpose and highly effective aerosol lubricant, designed for the maintenance, assembly and disassembly of machines and other technical equipment in industry and for land as well as sea vehicles. The powerful formula of the spray ensures excellent lubrication while not leaving any stains. Its water repellent properties ensure protection against moisture and powered by Ozone friendly propellant.

### BENEFITS

- Lubricates to reduce friction and eliminates Squeaks.
- Protects metals from corrosion.
- Dissolves rust.
- Repels water.
- Easy application
- Prevents binding, sticking and deterioration.
- Solvent cleaner.
- Exceeds requirements of MIL-C-81309 E

### DIRECTIONS TO USE

- Shake thoroughly before use.
