TECHNICAL DATA SHEET

Fleetline 0W30 SN

PRODUCT DESCRIPTION

Fleetline 0W30 SN is a full synthetic engine oil for petrol and light diesel engines with or without turbo/catalytic converter where a fuel economy oil is recommended. It is developed with special additives, which provides good protection during extended drain intervals. Fleetline 0W30 ensures cleaner combustion, enhanced Fuel economy and low emission levels. Special additives keep the oil and engine parts free from sludge and deposits. It guarantees rapid and stable lubrication, high thermal stability under extreme conditions in a broad temperature range. The quality lubricant ensures an extended drain while ensuring low oil consumption.

STANDARD PERFORMANCE

- API SN
- ACEA C3

BENEFITS

- Lower fuel consumption
- Very high viscosity index and a high resistance against shearing.
- Fast cold start up properties which result in less wear due to a stable lubricant film.
- Great dispersant and detergent properties which warrants a clean operation.
- Very good anti-wear, anti-corrosion anti-form properties.

KEY PROPERTIES

Density 20 °C	kg/L	0.875
Viscosity 40 °C	cSt	60
Viscosity 100 °C	cSt	12
Viscosity Index	N/A	200
Pour point	°C	-48

PACKAGE SIZE	TBC
FLEETLINE 0W30 SN	✓
