## TECHNICAL DATA SHEET

### Fleetline Classic Cutterbar TD 150

#### PRODUCT DESCRIPTION

Cutterbar is an ISO VG 150 grade oil designed for use on the cutter bars and chains of chainsaws. It is blended using virgin base oils and contains additives to help prevent wear as well as those to ensure that the product stays in place thus preventing fling off.

#### APPLICATION

- Use cutterbar to lubricate cutting bars to cool the chain and bar.
- Ease movement and sliding of chain to prevent sticking.
- Reduces maintenance of chain saw.
