## TECHNICAL DATA SHEET

### Fleetline Engine Cleaner Solvent Base

---

#### PRODUCT DESCRIPTION

Engine Cleaner solvent base is a clear blue liquid. It is a specially designed blend of selected solvents, concentrated detergents and a powerful emulsifier that removes even the most stubborn dirt, grease grime and oil deposits. It is ideal for use on engines, vehicle chassis, lawnmowers, motorcycles, machinery and many other household and industrial applications.

#### APPLICATION

The unique nozzle design of the 500ml pack makes it possible to reach even the most Inaccessible components in engine compartments, as the product can be applied at all angles. Simply spray the Engine Cleaner and remove heavy dirt and grease with a stiff brush. For best results, allow to penetrate for a few minutes and then hose down with water. Run the engine to assist with drying, or alternately, blow off with an air hose.

#### PHYSICAL PROPERTIES

Physical State	Liquid.
Colour	clear blue.
Odour	Paraffinic.
Solubility in Water (kg/m3)	non miscible in water.

PACKAGE SIZE	500 mL	5 Litres	20 Litres	210 Litres
