TECHNICAL DATA SHEET BLIXEM PINE GEL

PRODUCT DESCRIPTION

A multifunctional water-soluble cleaning gel with disinfecting properties for use in surfaces that require cleaning. It is an effective grease cutter that can be used to remove stains and disinfect all washable surfaces such as bathrooms, tiles, floors and walls and is safe to use on all painted surfaces. Blixem Pine Gel is easy to use and readily dissolves in either hot or cold water. The blend is made of high-quality surfactants including pine oil which makes the product a great universal cleaner.

BENEFITS

- Free rinsing.
- Stain removal.
- User friendly.
- Economical in use.
- Cleans, disinfects, and deodorizes in one process.
- Can be used as is or diluted.

APPLICATIONS

The product can be used as is (concentrated) for cleaning very dirty surfaces such baths and sinks. Dilution ratio of 1:50 is recommended for floors and walls cleaning, 100mL scoop of the gel can be diluted in a 5 L bucket filled with water. It is advised to always rinse after cleaning.
